▶ Government officials have promised that it will herald a revolution no less and I think with public trust and all time low in the sector that's kind of what you need.

官员承诺这将引发一场革命，鉴于公众对该行业信任度极低，此举确有必要。

⏮ Now this is not a government review this is an independent commission chaired by Sir John Cunliffe but it is expected to you know form the backbone of a white paper released in autumn and it's widely expected as Joe is sitting there they're going to overhaul regulation there are three men regulators there's off watch there's the environment agency and the drinking water inspectorate and they don't work particularly well together in a very joined up way and they hope that if you have better more joined up regulation that will make things a little easier to do and at the heart of this.

此次独立审查由约翰·坎利夫爵士主持，将为秋季发布的白皮书奠定基础，预计将彻底改革监管体系，整合目前分散的环境署、饮用水监察局等机构职能。

⏮ Hard of all the problems we're seeing is under investment in aging infrastructure.

核心问题是老旧基础设施投资不足。

 00:15:00

⏮ I was talking to a water company official just this weekend saying I think people think we have a pollution or a sewage button we press for fun we don't do that we don't want that to do that but we need more investment in that and some say that off what is prioritized keeping bills too low for too long at the expense of investment and that is now coming home to roost so as I say but none of this and this report will not change the fact that bills are already rising very sharply to catch up with under investment in the past and will continue to do so.

水务公司官员表示需加大投资，而非公众误以为的故意排污，并指出长期压低水费导致投资不足的恶果已显现，水费上涨趋势将持续。

⏮ One option that has been the report has been told to ignore is nationalisation the government still believes it would cost billions and take years to unpick so in England the privatised system we have if you want a better water system somebody has to pay for it and that generally means consumers whose bills have already risen and will continue to do so.

报告排除了国有化选项，因政府认为成本过高且耗时，改善水务系统最终需消费者承担费用。

⏮ Okay thank you very much Simon Jack there.
