🎧 Daniel Sampford is here with the details Daniel.

Daniel Sampford将带来详细报道。

🎧 00:04:30

🎧 Yes, so feel more evidence today that we might be heading for a record year for migrants crossing the English channel in those dangerously overcrowded small boats.

是的，今天更多证据表明，今年可能成为移民乘危险超载小船穿越英吉利海峡的破纪录年份。

🎧 These are last year's figures and you can see that the number passed 25,000 on the 22nd of September.

这是去年的数据，可以看到在9月22日突破了2.5万人。

🎧 And these are this year's figures so far and today we reached the 25,336, passing that 25,000 mark almost two months earlier than last year.

这是今年迄今数据，今天已达25,336人，比去年提前近两个月突破2.5万大关。

🎧 00:04:58

🎧 The number jumped substantially yesterday when 898 migrants made the crossing.

昨天人数大幅增加，有898人完成穿越。

🎧 In what was described as a chaotic day, both border force boats and life boats were involved in picking migrants up mid-channel and taking them to Dover.

被描述为混乱的一天中，边境部队船只和救生艇都在海峡中部接应移民并将他们送往多佛尔。

🎧 This picture of boats and outward motors taken at a nearby storage facility gives you an idea of the scale of the crossings in recent weeks.

这张附近储存设施拍摄的船只和舷外发动机照片显示了最近几周穿越的规模。

🎧 00:05:24

🎧 On the busiest day of this year, the 31st of May, 19 boats were used and almost 1,200 people made the journey.

今年最繁忙的5月31日，使用了19艘船，近1200人完成穿越。

▶ The government did have some success on Saturday when 25 boats of the kind used by people smugglers were seized in a lorry at the Turkey Bulgaria border.

政府周六确实取得一些成功，在土耳其-保加利亚边境一辆卡车上查获25艘偷渡者使用的船只。

▶ The boats could have carried between 50 and 60 migrants each.

这些船每艘可载50至60名移民。

 00:05:46

▶ They were seized as part of a national crime agency operation, working with Bulgarian customs officers.

这是国家犯罪机构与保加利亚海关官员联合行动的一部分。

▶ Earlier this month, the Prime Minister Sir Keir Stammer and the French President Emmanuel Macron agreed a pilot scheme in which some migrants who crossed the channel would be detained and returned to France.

本月早些时候，首相基尔·斯塔默爵士与法国总统马克龙同意试行一项计划：部分穿越海峡的移民将被拘留并遣返法国。

▶ In exchange, others will be allowed to come into the UK from France via a legal and controlled route.

作为交换，其他人将通过合法受控路线从法国进入英国。

 00:06:12

▶ The idea is to deter migrants from making the crossing.

此举旨在阻止移民冒险穿越。

▶ The French police have also been changing their tactics.

法国警方也改变了策略。

▶ Earlier this month, they deliberately punctured a boat with knives as it was leaving the beach because it was dangerously overcrowded.

本月早些时候，他们故意用刀刺破一艘即将离岸的超载危险船只。

⏮ But unless things changed dramatically in the next few months, it looks like this will be a record year surpassing the 45,000 people who crossed in 2022.

但除非未来几个月情况剧变，否则今年可能超越2022年4.5万人的纪录。

bilibili 00:06:37

⏮ Though it's worth remembering, migration from small boat crossings makes up less than 10 per cent of overall net migration.

不过值得注意的是，小船穿越移民仅占净移民总数不到10%。
