▶ Bring us up to date with the very latest on the disruption.

请介绍最新情况。

▶ Yeah, it's been a difficult day for the aviation and airline industry this afternoon.

今日下午航空业经历了艰难时刻。

▶ That temporary outage at the National Air Traffic Control Centre.

国家空中交通管制中心短暂瘫痪。

bilibili 00:03:46

▶ It was only for 20 minutes, but it causes major disruption.

虽仅20分钟，却造成重大混乱。

▶ Now the National Air Traffic Control Centre effectively manages the motorways of the sky.

现在国家空中交通管制中心有效地管理着天空中的高速公路。

▶ It manages where our flights go around the UK from airports arriving into the UK when we get on our planes and head outside the United Kingdom on our holidays and to other destinations right around the world.

它管理着我们的航班在英国境内的航线，包括从机场起飞、抵达英国，以及当我们登上飞机前往英国境外度假或世界其他目的地的航班。

 00:04:04

▶ But when those systems goes down, it's a real compromise on safety because effectively those manage in the skies can't actually see properly and when technical problems happen, they need to make sure safety is paramount and planes needed to be grounded for the safety of all of us using the skies.

但当这些系统出现故障时，安全就会受到严重影响，因为实际上那些管理天空的人无法正常观察，而当技术问题发生时，他们必须确保安全至上，飞机需要停飞以保障所有使用天空的人的安全。

▶ And that's exactly what happened.

而这正是发生的情况。

▶ A tech outage needed to lead to a temporary grounding of flight only for 20 minutes.

一次技术故障导致航班暂时停飞，仅持续了20分钟。

 00:04:24

▶ Now, the systems came back online within 20 minutes, but the impact is substantial.

现在，系统在20分钟内恢复了运行，但影响是巨大的。

▶ The aviation sector and airlines operate on such tiny margins, planes land, they take off, planes land, they take off.

航空业和航空公司的运营利润非常微薄，飞机降落、起飞，再降落、再起飞。

▶ Any disruption or delays causes a serious knock-on.

任何中断或延误都会引发严重的连锁反应。

▶ And when the whole system goes down, the knock-on is substantial and serious.

而当整个系统崩溃时，连锁反应将是巨大而严重的。

 00:04:46

▶ And that's exactly what we're seeing now.

而这正是我们现在看到的情况。

▶ Now, 20 minutes after the outage happened, now it's got their systems back on and I'm at Heathrow.

现在，故障发生20分钟后，系统已经恢复，我目前在希思罗机场。

▶ Plains have started again.

航班已重新开始起降。

▶ We know that Heathrow has only cancelled 16 flights here, Manchester airport has told me that it's cancelled six.

我们知道希思罗机场仅取消了16个航班，曼彻斯特机场告诉我他们取消了6个航班。

▶ But that data and information is still coming through.

但这些数据和信息仍在更新中。

 00:05:02

▶ And as we heard from some of those clips from passengers, lots of passengers were heading inbound into the United Kingdom, but because those effectively motorists of the sky and the ability to read them had gone down, planes were diverted and sent back.

从一些乘客的片段中我们听到，许多乘客正飞往英国，但由于那些天空中的“驾驶员”及其读取能力失效，飞机被改道或返航。

▶ So we're going to have a situation now where planes are in the wrong place, passengers are in the wrong place and crews are in the wrong place.

因此，我们现在将面临飞机、乘客和机组人员位置错乱的情况。

▶ And this comes at a time when it's the first of August tomorrow.

而这一切发生在明天就是8月1日的时候。

bilibili 00:05:23

▶ It is the globally the busiest time for travel and this is just not what the aviation and airline sector wants to have as its peak time happens.

这是全球旅行最繁忙的时期，而这正是航空业最不希望在其高峰期发生的事情。

▶ It wants its customers to have confidence that things won't go wrong.

它希望客户对一切正常运行有信心。

▶ And lots of investigations happened a couple of years ago when a similar outage happened with that, their systems went down 700,000 passengers were disrupted and it took about a week to recover that.

几年前发生过一次类似的故障，当时系统崩溃导致70万乘客受到影响，恢复大约花了一周时间。

bilibili 00:05:46

▶ Now as I say, lots of reviews happened to try and stop what's happened today and it's happened.

正如我所说，进行了许多审查以试图阻止今天发生的事情，但它还是发生了。

▶ Now the good news is it only happened 20 minutes, whether that was a beneficiary of the fact that those reviews had happened in systems were in place, but it still happened and there's going to be disruption.

好消息是这次仅持续了20分钟，这可能得益于之前的审查和系统改进，但它仍然发生了，并将带来混乱。

▶ And I would imagine people who were heading away on their summer holes in the next couple of days are coming into the UK might be feeling a little bit nervous, but as I say, operations are trying to get back to normal that he throw in other UK efforts at the moment.

我想那些未来几天准备去度假或来英国的人可能会感到有些紧张，但正如我所说，运营正在努力恢复正常，目前英国其他机场也在努力。

🎧 Simon, thank you very much indeed for that update or transport and travel expert Simon Calder spoke to me earlier and he said that aside from the economic loss, such disruptions cause significant emotional distress for passengers.

西蒙，非常感谢你的更新，交通和旅行专家西蒙·卡尔德早些时候告诉我，除了经济损失外，此类中断还会给乘客带来严重的情感困扰。

🎧 The huge emotional cost of this everybody is looking at the economic cost or at least in the aviation industry and the shutdown of Heathrow on the 21st of March because of a fire at an electrical substation that costs the airlines £100 million.

巨大的情感代价，每个人都在关注经济损失，至少航空业是如此，3月21日因变电站火灾导致希思罗机场关闭，给航空公司造成了1亿英镑的损失。

🎧 Well it costs a couple of hundred thousand passengers their travel plans, desperately difficult times.

而这还导致数十万乘客的旅行计划被打乱，这是极其艰难的时期。

 00:06:48

🎧 Everyone is really emotionally invested in their travels and yeah we get used to the idea of a delay of an hour or two, but if you're told as for example passengers traveling from London City to Glasgow tonight have been told your flight is simply cancelled then you're not able easily to switch to another flight because they're simply aren't the seats available and while it's easy to say what people's rights are you've got to have an alternative flight as soon as possible and that can be on a different airline whatever is going to get you there fastest.

每个人都对旅行投入了情感，我们习惯了延误一两个小时，但如果被告知航班取消，比如今晚从伦敦城市机场飞往格拉斯哥的乘客，你很难轻易改签其他航班，因为根本没有可用座位。虽然很容易说乘客的权利是什么，但你必须尽快找到替代航班，可以是其他航空公司，只要能最快到达目的地。

🎧 If there aren't any seats available, well that's just awful.

如果没有可用座位，那就太糟糕了。

🎧 Airlines again having to put up passengers in hotels but there are going to be thousands and thousands of people stuck at various airports I fear overnight tonight and I'm not sure there will be enough room for them.

航空公司不得不为乘客安排酒店住宿，但我担心今晚将有成千上万的人滞留在各个机场，我不确定是否有足够的空间容纳他们。

 00:07:44

🎧 Well as always you can get more information on the very latest on this disruption and the ongoing disruption at various airports in the UK on the BBC's website there's a live page there being updated minute by minute if you have time step away from the TV but for now let's move you on to the other top story of the day and that is what is happening in Gaza a US official says special envoy Steve Wihoff will travel to the Middle East on Thursday to discuss the next steps in addressing the desperate situation in Gaza.

一如既往，你可以在BBC网站上获取关于此次中断及英国各机场持续中断的最新信息，有一个实时页面每分钟更新。如果你有时间离开电视，但现在让我们转向今天的另一则头条新闻，即加沙的情况。一位美国官员表示，特使史蒂夫·维科夫将于周四前往中东，讨论解决加沙严峻局势的下一步行动。

🎧 It comes as families of Israeli hostages being held by Hamas in Gaza say the plan by the UK and other European countries to recognise a Palestinian state validates terrorism.

与此同时，被哈马斯扣押在加沙的以色列人质家属表示，英国和其他欧洲国家承认巴勒斯坦国的计划是对恐怖主义的认可。

🎧 Well Sir Kirsta Amar announced yesterday that the UK would recognise a Palestinian state in September unless Israel meets certain conditions including a ceasefire in Gaza opposition parties have criticised Kirsta Amar's plan as a bargaining chip saying the state should have been recognised earlier.

克里斯塔·阿马尔爵士昨天宣布，英国将在9月承认巴勒斯坦国，除非以色列满足某些条件，包括在加沙停火。反对党批评克里斯塔·阿马尔的计划是一种筹码，称巴勒斯坦国本应更早得到承认。

 00:08:41

🎧 But the government stress that part of the reason for the move now was to try to change the situation on the ground in Gaza.

但政府强调，现在采取这一行动的部分原因是为了试图改变加沙的实地局势。

▶ Today the Gaza Health Ministry says seven more people have died of conditions linked to malnutrition over the last 24 hours that brings the reported number of hunger related deaths since the start of the Gaza War to 151 people, 89 of them children.

今天，加沙卫生部表示，过去24小时内有7人死于与营养不良相关的疾病，这使得自加沙战争开始以来报告的饥饿相关死亡人数达到151人，其中89人是儿童。

▶ Well joining me now is our Middle East correspondent Hugo Bachega in Jerusalem and in Westminster our political correspondent Damon Grimaticus.

现在与我连线的是我们在耶路撒冷的中东记者雨果·巴切加和在威斯敏斯特的政治记者达蒙·格里马提克斯。

 00:09:13

▶ Hugo let me go to you first of all we've heard in the last hour or so that Steve Wichoff will travel to Israel to talk about Gaza what more are we hearing?

雨果，首先让我问你，我们在过去一小时左右听说史蒂夫·维科夫将前往以色列讨论加沙问题，我们还听到了什么？

▶ Yeah so this is going to be the first known visit by Steve Wichoff to Israel since May and it comes amid stall negotiations for a ceasefire and hostage release deal between Israel and Hamas and I mean the catastrophic situation in Gaza with starvation across the territory.

是的，这将是史蒂夫·维科夫自5月以来首次访问以色列，而此时以色列和哈马斯之间的停火和人质释放谈判陷入僵局，加沙的局势灾难性，整个地区都在挨饿。

▶ So I think this shows that Gaza is again a priority for the Trump administration just days ago President Trump himself said there was starvation in Gaza which marked a rare public disagreement between the president and the Israeli Prime Minister Benjamin Netanyahu who has repeatedly denied that there is starvation happening Gaza despite reports of Palestinian starving to death also the images of emaciated children across the territory and reports by a number of aid organizations and also the United Nations.

因此，我认为这表明加沙再次成为特朗普政府的优先事项。就在几天前，特朗普总统本人表示加沙存在饥饿，这标志着总统与以色列总理本杰明·内塔尼亚胡之间罕见的公开分歧，后者一再否认加沙存在饥饿，尽管有巴勒斯坦人饿死的报道，以及整个地区瘦弱儿童的照片，还有多个援助组织和联合国的报告。

⏮ Now this visit happens amid international anger over what's happening there the you know dire humanitarian situation so a US official said Steve Wichoff will be having meetings with Israeli officials to address the situation in Gaza.

这次访问发生在国际社会对加沙严峻人道主义局势的愤怒之际。一位美国官员表示，史蒂夫·维科夫将与以色列官员会面，讨论加沙局势。

⏮ There have been reports suggesting that he will also visit Gaza and visit some of the sites run by the Gaza Humanitarian Foundation which is this controversial new mechanism that is supported by the Americans and also by the Israelis largely bypassing the United Nations and aid organizations which have decades of experiencing Gaza in the distribution of aid.

有报道称，他还将访问加沙，并参观由加沙人道主义基金会运营的一些地点，这是一个有争议的新机制，得到美国和以色列的支持，很大程度上绕过了在加沙有几十年援助经验的联合国和援助组织。

⏮ This is a system that has been heavily criticized by virtually everyone who's not involved with it and has been blamed by aid organizations for being part of the problem in Gaza because of the very limited amount of aid being handed out to Palestinians in Gaza and I think for the families of the hostages this could be the hope to restart these negotiations for a possible ceasefire and hostage release deal between Israel and Hamas.

这一系统几乎受到所有不参与其中的人的严厉批评，援助组织指责它是加沙问题的一部分，因为分发给加沙巴勒斯坦人的援助非常有限。我认为，对人质家属来说，这可能是重启以色列和哈马斯之间停火和人质释放谈判的希望。

⏮ Hugo thank you very much let's speak now to Damien and Damien it's interesting isn't it because there's been a lot of pressure from the opposition parties the Lib Dems and the conservatives the Green Party excuse me against what Labour have done against what Kirstaama did they're saying that it's you know the conditions put on Israel shouldn't have happened in the first place that Palestinian statehood should just be recognized but then you have of course the families of the hostages complaining that this is rewarding terrorism so pressure on Kirstaama from all sides.

雨果，非常感谢。现在让我们和达米安谈谈。达米安，这很有趣，因为反对党自由民主党、保守党和绿党对工党和克里斯塔·阿马尔的行动施加了很大压力，他们说对以色列施加的条件本就不应该存在，巴勒斯坦国应该直接得到承认。但当然还有人质家属抱怨这是在奖励恐怖主义，因此克里斯塔·阿马尔面临来自各方的压力。

▶ Yes so on the sort of political pressure he has critical criticism I mean he has criticism from both sides of his decision to this decision say he will recognize Palestinian state in September if conditions are not met including ceasefire aid on the ground commitment to a peace process that's sort of thing.

是的，他面临的政治压力是批评性的，我的意思是，他的决定受到双方的批评。他说如果某些条件未满足，他将在9月承认巴勒斯坦国，包括停火、实地援助和对和平进程的承诺等。

▶ Now on the one hand you have as you say for more on the left side you have the Liberal Democrats and the Greens who said well there should be no conditions attached to Palestinian statehood if you believe Palestinians have the right to a state well then that should be unconditional and it's not something that should rely on actions by Israel to grant that or not.

一方面，正如你所说，左翼的自由民主党和绿党表示，巴勒斯坦建国不应附加任何条件，如果你认为巴勒斯坦人有建国的权利，那么这应该是无条件的，不应依赖以色列的行动来决定是否承认。

 00:12:40

▶ On the other side you have criticism from the conservatives on the right saying that this is absolutely not the right time to recognize Palestinian statehood because it won't advance peace and it won't advance a ceasefire it won't advance getting rid of getting the hostages released by Hamas and they say that this is an issue of political management Kirstaama with his own party many of his MPs wanting this increasing numbers vocal and that he's dealing with that and then of course yes criticism from others who are watching this particularly families who have relatives held hostage or who were hostages who have described this as a moral failure said shame on you Kirstaama and saying that advancing or this decision does not advance peace it rewards the activities of Hamas and rewards terrorism by recognizing or saying you will recognize a state entity while Hamas is still on the ground while it's still carrying out its activities then that isn't something that is advancing peace it is doing the opposite it is rewarding violence Damien and Hugo thanks to both of you and let's now hear from Khaled El-Gindi he's a visiting scholar at Georgetown University but he's also former

negotiator for the Palestinian Authority he gave me his reaction to what the Hicca government has said I think given the extremely alarming conditions in Gaza were mass starvation you know Gaza's now entered officially a state of famine and we're seeing hunger-related deaths each and every single day so I think given this dire situation the UK and another major powers are desperately trying to impact Israel's decision-making and I think this is you know Kirstaarmers decision to announce that the UK would recognize Palestine by September if there weren't a ceasefire and major changes in the humanitarian situation is part of that attempted pressure on Israel I don't think it will I think it will have very limited impact because recognizing a state of Palestine certainly impacts the political realm that doesn't really directly affect realities on the ground those are being determined by Prime Minister Netanyahu in conjunction with decision-makers in Washington namely President Trump.

另一方面，右翼的保守党批评说，现在绝对不是承认巴勒斯坦国的时候，因为这不会促进和平，不会促进停火，也不会促进哈马斯释放人质。他们说这是克里斯塔·阿马尔的政治管理问题，他所在的党内许多议员越来越强烈地要求承认巴勒斯坦国，而他正在处理这一问题。当然，还有其他人批评这一决定，特别是那些有亲属被扣押或曾经是人质的人，他们称这是道德失败，说“克里斯塔·阿马尔，你真可耻”，并表示这一决定不会促进和平，而是奖励哈马斯的活动和恐怖主义，因为在哈马斯仍在活动时承认或宣布将承认一个国家的实体，这不是促进和平，而是相反，是在奖励暴力。达米安和雨果，谢谢你们。现在让我们听听哈利德·埃尔-金迪的看法，他是乔治城大学的访问学者，也是巴勒斯坦权力机构的前谈判代表。他向我表达了对希卡政府声明的反应。我认为，考虑到加沙极其严峻的局势，大规模饥饿，加沙现在正式进入饥荒状态，我们每天都能看到与饥饿相关的死亡。因此，我认为在这种严峻的形势下，英国和其他大国正拼命试图影响以色列的决策。我认为克里斯塔·阿马尔宣布如果加沙没有停火和人道主义局势没有重大改善，英国将在9月承认巴勒斯坦国的决定，正是这种试图对以色列施压的一部分。我不认为这会有效果，我认为影响非常有限，因为承认巴勒斯坦国当然会影响政治领域，但这并不会直接影响实地局势，这些局势是由内塔尼亚胡总理与华盛顿的决策者即特朗普总统共同决定的。

🎥 Here in the UK a high court judge has ruled that Palestine action can challenge the government's decision to ban it as a terror organization the group was outlawed after damage was caused to planes at RAF, Bryce Norton last month in protest against Israel's war in Gaza the UN has warned that banning the group under anti terrorism legislation is an unjustified labeling of a political protest movement.

在英国，高等法院法官裁定，巴勒斯坦行动组织可以挑战政府将其列为恐怖组织的决定。该组织在上个月对英国皇家空军布莱斯诺顿基地的飞机造成破坏，以抗议以色列在加沙的战争。联合国警告称，根据反恐立法禁止该组织是对政治抗议运动的不公正标签。
