

UK to Recognize Palestinian State Unless Israel Acts on Gaza Crisis

【CNN News 20250730 英国首相称将承认巴勒斯坦国 除非以色列采取行动解决加沙危机】

Summary: The UK Prime Minister Keir Starmer announced that Britain will recognize a Palestinian state at the UN General Assembly in September unless Israel takes steps to end the "appalling situation" in Gaza, including allowing aid and committing to a ceasefire. Meanwhile, a UN-backed report warns famine has taken hold in Gaza, with over 60,000 deaths reported. Israel rejected the UK's move, calling it a "reward for Hamas," while France supported the decision. Separately, New York City saw its deadliest mass shooting in 25 years, with a gunman targeting the NFL offices but killing unrelated victims.

正如你所知，美国总统表示加沙有人正在挨饿，以色列几位最亲密盟友的领导人以及内塔尼亚胡总理也这么说。

▶ He says there is no starvation in Gaza.

他说加沙没有饥饿。

▶ In your view, what is the reality there?

在你看来，那里的现实是什么？

bilibili 00:06:41

▶ What I understand the reality to be on the ground in Gaza is that the main problem isn't the amount of food that exists in the Gaza Strip, but it is who has its hands on that food and how it is distributed.

我所了解的加沙现实是，主要问题不是加沙地带存在的食物数量，而是谁控制了这些食物以及如何分配。

▶ And there's great inequality between those that have power, either strong plans or Hamas-affiliated families, and of course, Hamas fighters who get food, get aid, have

▶ The pictures don't lie.

bilibili 00:08:10

▶ Yeah, I don't know what he bases that on, but actually both of these things can happen at the same time.

是的，我不知道他基于什么，但实际上这两件事可以同时发生。

▶ There is food in Gaza.

加沙有食物。

▶ It's just not accessible to everybody who needs it.

只是不是每个需要的人都能获得。

▶ And there are people that are suffering.

而且有人在受苦。

▶ But on the other hand, there's people and Hamas has food.

但另一方面，有人和哈马斯有食物。

▶ But I think the bottom line here is I think we should recognize that Hamas has scored a very important strategic victory.

但我认为这里的底线是，我们应该承认哈马斯取得了非常重要的战略胜利。

bilibili 00:08:37

▶ They have done a successful media campaign, which has been followed by a diplomatic effort.

他们开展了一场成功的媒体宣传，随后又进行了外交努力。

▶ That implies that the media is not doing its job.

这意味着媒体没有履行职责。

🎧 I speak to aid organizations, doctors virtually every day who are witnessing the suffering there.

我几乎每天都与援助组织、医生交谈，他们亲眼目睹了那里的苦难。

🎧 And to be clear, as you know, a USAID study found that 1% of USAID funded aid was affected by loss, theft, diversion, fraud or waste.

需要明确的是，如你所知，美国国际开发署的一项研究发现，美国国际开发署资助的援助中有1%受到损失、盗窃、转移、欺诈或浪费的影响。

 00:09:07

🎧 The New York Times reported in the last several days that Israeli officials say that the IDF has not found proof that Hamas is systematically stolen aid.

《纽约时报》最近几天报道称，以色列官员表示，以色列国防军没有发现哈马斯系统地窃取援助的证据。

🎧 So to say that this is all- again, a Hamas problem doesn't match up with it.

因此，说这完全是哈马斯的问题并不符合事实。

🎧 Is not supported by the facts.

事实不支持这一点。

🎧 You're not correct.

你不对。

🎧 And citing anonymous sources that were reported in the New York Times is not credible.

引用《纽约时报》报道的匿名消息来源并不可信。

 00:09:31

🎧 It's not just the New Times.

不仅仅是《纽约时报》。

🎧 It's a USAID study of its own aid and what has been taken by Hamas and what hasn't done.

这是美国国际开发署对自己援助的研究，以及哈马斯拿走了什么，没有做什么。

▶ And to be clear, Jonathan, you and I have known each other a long time.

需要明确的是，乔纳森，我们认识很久了。

▶ I talk to witnesses on the ground every day who speak to shortages there.

我每天都与当地的目击者交谈，他们谈到那里的短缺。

▶ Doctors who are treating people who are starving and are treating people who are getting injured or shot when they go to these aid sites.

医生们正在治疗饥饿的人，以及去这些援助地点时受伤或被枪击的人。

 00:09:54

▶ So it's not just a disinformation campaign.

所以这不仅仅是一场虚假信息宣传。

▶ These are accounts for getting from the ground.

这些都是来自地面的真实情况。

▶ I think that is the biggest part of it.

我认为这是最重要的部分。

▶ And you know, just about speaking about disinformation, how many times was the word Hamas mentioned in the last story that we saw?

说到虚假信息，你知道在我们刚才看到的故事中，“哈马斯”这个词被提到了多少次吗？

▶ It wasn't mentioned even once.

一次也没有。

▶ I listened for it and I waited to hear how many times was Hamas, the governing organization that controls the Gaza Strip, that controls the civilian population, that started the war.

我仔细听了，等着听“哈马斯”这个词出现了多少次——这个控制加沙地带、控制平民、发动战争的统治组织。

▶ How many times was it mentioned?

它被提到了多少次？

▶ Zero.

零次。

▶ So I see.

所以我明白了。

▶ You know, Jonathan, we've covered Hamas's terror attacks in Gaza and in Israel for months and years.

乔纳森，你知道，我们多年来一直在报道哈马斯在加沙和以色列的恐怖袭击。

▶ What I'm talking about now is who is getting aid to the people who needed and Israel has control over large parts of Gaza and Israel is running the aid distribution.

我现在说的是谁在向需要的人提供援助，以色列控制着加沙的大部分地区，以色列负责援助分发。

▶ So does Israel not share responsibility?

那么以色列难道不承担责任吗？

▶ I know.

我知道。

▶ Yeah, no, actually not Israel runs part of it and part of it is run by you and affiliated organizations that up until a few days ago boycotted Israeli efforts to bring in food food was in Gaza waiting to be picked up by you and trucks.

不，实际上不是，以色列负责一部分，另一部分由你们和附属组织负责，直到几天前，你们还在抵制以色列运送食物的努力，食物就在加沙等着你们的卡车来取。

▶ And they simply boycotted it and there were 950 truck loads of food in the Gaza Sun.

他们只是抵制了，而加沙有950卡车的食物。

 00:11:17

 I don't think that's fair.

我认为这不公平。

 But we test the thing that Israel says a talking point.

但我们验证了以色列所说的一个论点。

 I don't call everything that Israel says a talking point.

我并不是把以色列说的一切都称为论点。

 I only call talking points a talking point.

我只把论点称为论点。

 My understanding from speaking to AIDS organizations and other outlets including Roedis have reported this is that Israel is requiring the UN to offload aid at the border and then send trucks internally within Gaza to pick it up.

我从艾滋病组织和其他媒体（包括Roedis）了解到的是，以色列要求联合国在边境卸下援助物资，然后派卡车在加沙内部取货。

 00:11:43

 And what I hear from a group, so I spoke to one yesterday called he'll palestine that they were able to get food in prior and they can't get food in now.

我从一个团体那里听说，昨天我与一个名为“他巴勒斯坦”的人交谈，他们以前能够获得食物，但现在无法获得。

 So there's an issue there, right?

所以这里存在问题，对吧？

 They say because Israel is not a prove it.

他们说因为以色列没有证明这一点。

▶ They say that Israel is not approving their aid shipments in or making it harder for them to get the aid in.

他们说以色列没有批准他们的援助物资进入，或者让他们更难获得援助。

bilibili 00:12:07

▶ Yeah, in my mind, the issue is that Hamas wants exactly what's happening now.

是的，在我看来，问题是哈马斯想要的正是现在发生的事情。

▶ Hamas wants a humanitarian disaster.

哈马斯想要一场人道主义灾难。

▶ Hamas wants this and they are using it very effectively to create diplomatic pressure on Israel through media coverage, through leveraging the suffering of the Palestinian population.

哈马斯想要这样，并且他们正在非常有效地利用这一点，通过媒体报道和利用巴勒斯坦人民的苦难，对以色列施加外交压力。

▶ I can assure you that there is no shortage of food with Hamas fighters and with Hamas affiliated families.

我可以向你保证，哈马斯战士和哈马斯附属家庭并不缺乏食物。

bilibili 00:12:34

▶ And I can say that what all of all of the things that are happening now, the UK recognition, future recognition and many of the other diplomatic things that are happening that are tremendously important and meaningful for the region.

我可以说，现在发生的所有事情，包括英国的承认、未来的承认以及其他许多外交事件，对该地区来说都非常重要且意义重大。

▶ The first thing that they're doing is strengthening Hamas and it tells Hamas you don't need to go for a deal.

他们做的第一件事就是加强哈马斯，这告诉哈马斯你不需要达成协议。

▶ You don't need to release hostages and you can carry on doing what you're doing, which is fighting, refusing for a ceasefire and not releasing any of the Israeli hostages.

你不需要释放人质，你可以继续做你正在做的事情，即战斗、拒绝停火并且不释放任何以色列人质。

bilibili 00:13:03

▶ I don't know what you're saying.

我不知道你在说什么。

▶ I don't doubt, and I don't question that Hamas does not seek propaganda value from the suffering of the Palestinian people.

我不怀疑，也不质疑哈马斯是否从巴勒斯坦人民的苦难中寻求宣传价值。

▶ What I'm asking is whether you grant that Israel has responsibility for what we're seeing on the ground there now.

我问的是你是否承认以色列对我们在那里看到的情况负有责任。

▶ And to be clear, remember, it's Prime Minister Netanyahu who, when he withdrew from the ceasefire in March, announced that aid shipments would be halted in order to pressure Hamas.

要明确的是，记住，是内塔尼亚胡总理在3月退出停火协议时宣布将停止援助物资以向哈马斯施压。

bilibili 00:13:29

▶ He said as many words.

他就是这样说的。

▶ Yeah, Jim, on this, we agree this is a tremendous colossal failure of Israeli strategy.

是的，吉姆，在这一点上，我们同意这是以色列战略的巨大失败。

▶ Under Prime Minister Netanyahu, it is a 180 degree about face and it is Israel running out of diplomatic runway as a result of ineffective operations on the ground and a very effective information campaign by Hamas and its supporters in the Arab world and in Europe.

在内塔尼亚胡总理的领导下，这是一个180度的转变，由于地面行动无效以及哈马斯及其在阿拉伯世界和欧洲的支持者发起的信息战非常有效，以色列的外交空间正在耗尽。

 00:14:00

▶ That is what we're seeing, but it doesn't change reality and we mustn't confuse that with cause and effect.

这就是我们所看到的，但这并没有改变现实，我们绝不能将其与因果关系混淆。

▶ We are in this situation because Hamas thought of the war because they took our hostages and because they are refusing to cease fire deals and they're refusing to return the hostages.

我们处于这种情况是因为哈马斯发动了战争，因为他们劫持了我们的人质，并且他们拒绝停火协议，拒绝归还人质。

▶ That is why we're here.

这就是我们在这里的原因。

 00:14:18

▶ That is why the Palestinian population is suffering.

这就是巴勒斯坦人民受苦的原因。

▶ That is why there is a humanitarian catastrophe or a very significant situation on the ground.

这就是为什么会出现人道主义灾难或地面上的非常严重的情况。

▶ It isn't because Israel is fighting.

这并不是因为以色列在战斗。

▶ It's very easy to pin responsibility on Israel, but at the end of the day, beyond the moving pictures of starving children, some of them with pre-existing conditions, we saw that picture of a young boy who was...

很容易将责任归咎于以色列，但归根结底，除了那些饥饿儿童的画面，其中一些还有既往病史，我们看到了那个小男孩的画面.....

▶ I've heard the story too, but Jonathan, I've talked to doctors who treated many dozens of malch nourished, many dozens of malch nourished children and others.

我也听过这个故事，但乔纳森，我与治疗过许多营养不良儿童的医生交谈过，还有许多其他营养不良的人。

▶ It's not just images of people suffering from other things.

不仅仅是人们遭受其他苦难的画面。

▶ They can't get enough food.

他们无法获得足够的食物。

▶ My question is going forward.

我的问题是关于未来的。

▶ And I appreciate you acknowledging that Israel shares responsibility here.

我感谢你承认以色列在这里负有责任。

▶ As you have done in the past, you have said in other interviews, you've granted mistakes when mistakes happened, etc.

正如你过去所做的那样，你在其他采访中也说过，当错误发生时你承认错误等等。

▶ What do you believe Israel needs to do now to lessen the suffering of the Palestinian people?

你认为以色列现在需要做什么来减轻巴勒斯坦人民的苦难？

▶ Savilions there?

萨维利昂斯在那里？

▶ Yes.

是的。

▶ What Israel needs to do now is to make a very difficult decision.

以色列现在需要做的是做出一个非常艰难的决定。

▶ And I'd remind everybody that this war is about defending Israel from the attacks of Hamas.

我要提醒大家，这场战争是为了保护以色列免受哈马斯的袭击。

 00:15:41

▶ And making sure that Hamas won't be able to conduct an October 7 attack again.

并确保哈马斯无法再次发动10月7日的袭击。

▶ That is why Israel is fighting.

这就是以色列战斗的原因。

▶ That is the objective here.

这就是这里的目标。

▶ That is what Israel needs to achieve.

这就是以色列需要实现的。

▶ And Israel, and of course to get our hostages back, 20 live hostages and 30 murdered hostages that are still held by Hamas, and Hamas is refusing to let them go.

以色列当然还要救回我们的人质，20名活着的人质和30名被杀害的人质仍被哈马斯扣押，哈马斯拒绝释放他们。

 00:16:02

▶ What Israel needs to do is to make a very tough choice, whether to continue the war by using military means, or to basically capitulate to international pressure.

以色列需要做的是做出一个非常艰难的选择，是继续通过军事手段进行战争，还是基本上屈服于国际压力。

▶ And it depends very much on what the U.S. President will say and feel.

这在很大程度上取决于美国总统会说什么和感受什么。

🎧 And I'm saddened to see that he too has been influenced by the information campaign that has been ongoing and is ongoing.

我很难过地看到他也受到了正在进行的信息战的影响。

 00:16:28

🎧 But at the end of the day, it's between these two options, it can either go to a victory for Hamas, thanks to the media operations that we've seen, or it can go to an all-out significant escalation where Israel will say, despite everything happening, we will have to continue and pursue our goals to defend Israeli civilians from Hamas and make sure that Hamas never is able to govern the Gaza Strip or to attack Israel again.

但归根结底，这是两个选择之间的抉择，要么由于我们所看到的媒体行动而让哈马斯获胜，要么以色列会进行全面的大规模升级，尽管一切都在发生，我们将不得不继续追求我们的目标，保护以色列平民免受哈马斯的伤害，并确保哈马斯永远无法统治加沙地带或再次袭击以色列。

🎧 If you ask me what I think is likely, I think that the first option, sadly, is more likely.

如果你问我哪种情况更有可能，我认为第一种选择，遗憾的是，更有可能。

🎧 And I'm saddened by it because it means that Hamas has been granted a victory and that Israelis will be less safe, and people in Gaza will continue to say.

我对此感到难过，因为这意味着哈马斯获得了胜利，以色列人将不那么安全，加沙的人们将继续说。

 00:17:12

🎧 I understand the actions of the terrorist group, and I've covered them myself, but to say that this is entirely the images we're seeing, the counts we are hearing from people on the ground is entirely a media campaign.

我理解这个恐怖组织的行动，我自己也报道过他们，但要说我们看到的画面、我们从地面人员那里听到的完全是媒体宣传。

🎧 This doesn't seem to match up with the facts, but let's keep on saying that.

这似乎与事实不符，但我们还是继续这样说吧。

🎧 I haven't said entirely, Jim.

我没有说完全是，吉姆。

 00:17:30

▶ I haven't said entirely, but I've said that this is an orchestrated effort by Hamas with a political objective, and sadly it is successful.

我没有说完全是，但我已经说过这是哈马斯为实现政治目标而精心策划的努力，遗憾的是它成功了。

▶ Are there people that are suffering in Gaza undoubtedly?

加沙无疑有人在受苦吗？

▶ There are people who have gone to hell, Gaza, and there's no doubt.

有些人已经堕入地狱，加沙，毫无疑问。

▶ But the political objective is, I think, what matters here, and this is what Hamas has done.

但我认为这里的重点是政治目标，这就是哈马斯所做的。
