⏮ Here's Simon Jack.

西蒙·杰克报道。

▶ The water, a basic human need.

水是人类基本需求。

▶ There are 50 billion litres of water in this reservoir near Cambridge.

剑桥附近这座水库蓄水500亿升。

▶ The UK hasn't built a new one of these in 30 years and that kind of underinvestment means the water industry is failing.

英国30年未建新水库，投资不足致水务行业衰败。

▶ According to a new report, weak regulation has been part of the problem.

新报告指出监管不力是问题根源之一。

▶ The government confirmed today would merge the responsibilities of four existing regulators into one body and will accept other recommendations including a new water ombudsman to give consumers a more powerful voice and an end to companies monitoring their own sewage and leak performance.

政府今日确认将合并四家监管机构职能，并采纳设立水务申诉专员等建议，终止企业自检污水泄漏。

 00:08:33

▶ The government specified the report should not consider re-nationalising the water industry as one of its recommendations.

政府明确报告不得将水务行业国有化列为建议。

▶ Many support it, so why lose out?

虽获广泛支持为何放弃？

▶ Nationalising the water companies would cost around £100 billion.

国有化需耗资约千亿英镑。

▶ That's money we don't have.

我们无力承担。

▶ We'd have to take it from the National Health Service and from education in order to give it to the people that own the water companies who have polluted our rivers.

只能挪用医疗和教育预算补偿污染河流的水务公司所有者。

bilibili 00:08:58

▶ It would take years of legal wrangling to unpick the current ownership models and during that time there would be no investment.

现行所有权模式需经多年法律纠纷解决，期间将无任何投资。

▶ The water companies agree regulation has been poor but for different reasons they say off-what hasn't allowed them to charge enough in recent years to fund the needed investment.

水务公司认同监管不力，但称Ofwat近年未批准足够收费以支撑必要投资。

▶ We need massive investment across all of the United Kingdom so that we can withstand the pressures of climate change, end sewage flowing into our waterways and make sure we have enough water for our businesses to grow in our homes to be developed.

全英需大规模投资应对气候变化，杜绝污水入河，保障工商业与家庭用水。

bilibili 00:09:28

▶ The water crisis has been years in the making and today's report and government reaction has not suddenly taken the heat out of campaigners anger.

水务危机酝酿多年，今日报告与政府回应未平息活动人士怒火。

▶ The beating heart of this debacle is that corporate greed, the financial engineering, the exorbitant salaries, all of the £84 billion worth of our money, what our companies have made off with, we were promised a proper written branch wide range interview including ownership and structure, we were promised champagne or we've actually got, it's our milk.

危机核心是企业贪婪、财务操作、天价薪酬——卷走我们840亿英镑。我们本被承诺全面改革包括所有权结构，结果得到的却是掺水牛奶。

▶ In what now appears to be one of off-what's last interventions it approved average bill rises of 30% over the next five years with a big chunk of that starting in April.

Ofwat最后举措之一是批准未来五年水费上涨30%，其中大部分从四月开始。

 00:10:10

▶ It's hard to imagine how things could get much worse for the water industry, aging infrastructure over well and by new challenges like rising population and changing climate trends but they still could.

很难想象水务行业会更糟——基础设施老化，还面临人口增长和气候变化新挑战——但确实可能。

▶ The tens of billions the companies have committed to invest over the next few years will take time to have an effect.

企业承诺未来数年投入的数百亿英镑需时日见效。

▶ Meanwhile customers are getting hit in a here and now and they will feel they are paying the price for the sins of the past.

而消费者正即时承受代价，为过去错误买单。

南方水务220万用户现面临用水限制。

▶ That means customers lugging around watering cans.

这意味着用户需提桶取水。

▶ But when you're 83 years old like David Horton, life is now more difficult.

但对83岁的大卫·霍顿而言生活更加困难。

 00:11:22

▶ What's like having to haul water all that way?

长途运水感觉如何？

▶ Quite painful at times with my bad knee.

膝盖不好有时相当痛苦。

▶ David says companies like southern water haven't invested enough.

大卫称南方水务等公司投资不足。

▶ I think a lot of more money should have been put into building reservoirs and storing water so that in times like this we have it so that we don't suffer.

本应投入更多资金建设水库储水，避免如今困境。

▶ We pay enough money for it.

我们支付了足够费用。

▶ Whether it's leaks or sewage discharges, southern water has faced years of problems.

无论是管道泄漏还是污水排放，南方水务多年问题缠身。

 00:11:58

▶ Nigel Hadwin runs this grossest store and has seen his bills rise by around 30% in the past year.

你好，Clive。

▶ Thanks very much.

非常感谢。

▶ Good evening to you.

大家晚上好。

▶ It's been another fun day for some of us and also very wet parts of Scotland and Northern Ireland.

对一些人来说又是愉快的一天，而苏格兰和北爱尔兰部分地区则非常潮湿。

 00:30:28

▶ However, for the rest of the week, as high pressure starts to build in from the west, it will start to turn a little bit drier again, fewer showers, increasing amounts of sunshine.

然而，本周剩余时间，随着高压从西部开始增强，天气将再次变得稍微干燥，阵雨减少，阳光增多。

▶ Now, as there are low pressures being the culprit for the fairly unsettled weather the weekend has brought us very much needed rainfall though.

目前，低压是造成周末相当不稳定天气的罪魁祸首，但也带来了急需的降雨。

▶ It continues to drift northwards.

降雨继续向北移动。

 00:30:42

▶ The recent storm, graphic show that most of them, certainly the lion's shares, been through the Midlands and Northern England.

最近的暴风雨图表显示，大部分降雨，尤其是主要部分，已经经过中部地区和英格兰北部。

▶ A few drifting eastwards and it's been very wet for Western Scotland, especially so for Northern Ireland in the last 24 to 36 hours.

少量降雨向东移动，苏格兰西部非常潮湿，尤其是北爱尔兰在过去24至36小时内。

▶ As we move through tonight, the showers and storms will fade away, quite quickly I think through the evening, and then this front in the west will fade and start to push its way eastward.

今晚，阵雨和暴风雨将逐渐消退，我认为傍晚时分会很快消失，然后西部的锋面将减弱并开始向东移动。

 00:31:04

▶ So it turns a damp for parts of Wales, west in England and stays quite damp for Western Scotland.

因此，威尔士部分地区、英格兰西部将变得潮湿，苏格兰西部仍将相当潮湿。

▶ But dry with clear spells, the Midlands eastwards and Northern Ireland and Fanny Mal, 12 to 15 degrees.

但中部地区东部、北爱尔兰和Fanny Mal将干燥并有晴朗时段，气温12至15度。

▶ It means tomorrow I think we'll have a bit more cloud in the mix because of that wheat weather front which will edge its way eastward through the day.

这意味着明天我认为会有更多云层，因为小麦天气锋面将在白天向东移动。

 00:31:20

▶ So some spots of rain, thicker cloud across western areas, and then through the afternoon, given a bit of sunshine, could start to see a few heavy, thundery showers develop

southern and east in England most prone to those.

因此，西部地区会有零星降雨和较厚的云层，下午时分，在阳光照射下，英格兰南部和东部可能会开始出现一些强烈的雷阵雨。

▶ Top temperatures again, 22 or 23 degrees, higher teens, maybe 20 degrees across Scotland, Northern Ireland.

最高气温再次达到22或23度，苏格兰和北爱尔兰可能在十几度到20度左右。

▶ That area of low pressure pulls away one skirt to the south, but it will be mainly over France.

那片低压区向南移动，但主要影响法国。

bilibili 00:31:40

▶ It's a ridge of high pressure which will be dominating the scene.

高压脊将主导天气形势。

▶ So fewer showers in the north and the west.

因此，北部和西部阵雨较少。

▶ The showers that do develop though, central southern eastern areas could again be on the heavy side, but there'll be quite a bit of dry weather around certainly the north and the west and temperature wise, pretty much where we should be for the time of year, high teens, low 20s.

但中部、南部和东部地区可能再次出现强阵雨，北部和西部将会有相当多的干燥天气，气温与往年同期相当，十几度到二十度出头。

bilibili 00:31:58

▶ It turns a little bit dry, I think, for many of us towards the end of the week as a ridge of high pressure builds.

我认为，随着高压脊增强，本周末对大多数人来说天气会变得稍微干燥。

▶ In just a few showers dotted around, it could turn quite warm briefly across southern areas towards the end of the week as well.

只有零星阵雨，本周末南部地区也可能短暂变得相当温暖。

▶ That's it from me, Clive.

以上就是我的报道，Clive。
