🎧 I think to be honest I think a lot of players know that this has always been an issue within football.

"坦白说，许多球员都清楚这始终是足球界存在的问题。"

🎧 I think for Jess especially to come out because we all know Jess as a person, she's so strong, she's so tenacious, she almost doesn't want to put anything she's going through on somebody else.

"杰斯能公开表态尤其不易，我们都知道她个性坚强坚韧，几乎不愿让他人分担自己的遭遇。"

现在连线反种族主义慈善机构"踢走它"主席桑德拉·班达里，请谈谈您对此事的看法。

 00:06:08

🎤 Good evening, yeah, a mixture of emotions really, a bit of sadness, a bit of pride and a bit of anger really, so sadness for Jess Carter that she's had to experience what she's had to experience, some pride that the lionesses have reacted in the way in which they have and they've rallied round and supported their team mate but deep anger and despair at the social media companies yet again allowing their platforms to be hot beds of hatred and they really do nothing about it.

"晚上好，此刻百感交集：为杰斯·卡特的遭遇感到悲伤，为女足队员团结支持队友感到骄傲，但对社交媒体公司再次纵容平台成为仇恨温床深感愤怒与绝望——他们毫无作为。"

🎤 And so in England of called in the police over this, where do you think this needs to go next?

英格兰已就此报警，您认为下一步该如何行动？

🎤 I mean do you think it's for social media companies or does UEFA need to do something where where can we start, where do you think the progress needs to come from?

"您认为该从社交媒体公司还是欧足联着手？应从何处推动进展？"

 00:06:50

🎤 We should start with the people who have the greatest ability to make an impact and that's the social media companies but look we have the online safety act in place, there are a couple of consequences of that, there are some potential criminal offences here and so law enforcement agencies here in the UK should be looking at that and looking at whether any of the creditors are here in the UK but the online safety act also requires that the platform should be actively removing any illegal content.

"应从最具影响力的社交媒体公司入手。英国已实施《网络安全法》，该法规定平台应主动删除非法内容，相关行为可能构成刑事犯罪，执法机构应调查肇事者是否在英国境内。"

🎤 So I would suggest that the social media companies and off-com should be looking at the content and if any of it is illegal, why did that make its way through?

"我建议社交媒体公司和监管机构审查内容，追查非法内容为何能通过审核。"

🎤 The obligations are now on the social media companies to remove that stuff.

"社交媒体公司现在有责任清除这些内容。"

bilibili 00:07:31

⌂ Of course with this kind of content sometimes it's not just illegal, it's not illegal, it's legal but very harmful and I think with that kind of content the onus is on the social media companies to provide us as users with tools to enable us to have the online experience that each wishes to have.

"当然有些内容虽合法但极具危害性，社交媒体公司应提供工具让用户自主选择网络体验。"

⌂ So really the obligations on the social media companies they should be doing much, much more.

"社交媒体公司确实应承担更多责任。"

⌂ And one of Jessica's teammates Lucy bronze was saying just now that other players have also suffered that kind of abuse, how widespread is this at the moment in infable?

杰西卡的队友露西·布龙泽提到其他球员也遭受类似虐待，目前女足界这种情况有多普遍？

bilibili 00:08:04

⌂ It's widespread in society I would say the X in particular but also to some degree Instagram and other platforms are hotbeds of hate and it's probably got worse over the last five years as those platforms have disinvested in moderation.

"这在社会中相当普遍，特别是X平台，Instagram等平台也在某种程度上成为仇恨温床。过去五年随着这些平台减少内容审核投入，情况可能恶化了。"

⌂ They now seem to really they don't really care that their platforms are full of hate and racism, they're not really doing anything about it, it seems to be that it they're more concerned about making profits from it and hate seems to sell, it seems to work on those platforms, it works for the platform owners, the obligation is on them to do more.

"平台方似乎毫不在意充斥仇恨和种族主义的内容，更关心从中获利。仇恨能带来流量，平台所有者必须承担更多责任。"

⌂ Sandra Banderri thank you very much indeed putting the time to talk to us thank you.

非常感谢桑德拉·班达里抽空接受采访。

bilibili 00:08:44

 Thank you.

谢谢。

🎧 They've rejected the entrance of any government or officials into the city whether they are ministers, aid workers or security or army.

当地拒绝任何政府官员、援助人员或安全部队入城。

🎧 They've made it clear before that they don't want to see any presence of this Islamist-led government inside Syria.

民众指责政府应对过去一周导致逾千人死亡的暴行负责。

 00:10:57

🎧 Majority of them are from the Druze community and of course there are also some who have been killed from the army and security forces and a small number from the tribal forces will also be killed.

死者多为德鲁兹社群成员，也包括部分军警和部落武装人员。

⏮ But you know there has been an agreement we've seen what the US, both of the US Secretary of State said and the you know the envoy to Syria that they call for the government to ensure stability and safety and justice and bring those perpetrators to accountability so that they can continue with more and inclusive way so the country can move forward.

但美国国务卿和叙利亚问题特使已呼吁政府确保稳定、安全与正义，追究肇事者责任，以包容方式推动国家前行。

⏮ And give us a bit of the context here why are people so concerned about what happens with Syria?

能否说明为何人们对叙利亚局势如此担忧？

 00:11:43

⏮ I mean is there a sense that there's a worry that they might slip back into some kind of a civil war?

是否担心可能再次陷入内战？

⏮ Tell us about the regional context.

请谈谈地区背景。

⏮ Well the new-led government they have a history of not being one body.

这个新主导的政府历来并非铁板一块。

⏮ They are a collection of different factions with different backgrounds that were in North Syria.

它由叙利亚北部不同背景的派系组成。

⏮ They have a jihadi salafi background and they are now in charge of the government.

这些具有圣战萨拉菲背景的派系现在掌控政府。

 00:12:14

⏮ They are in the army, they are in the security and many of them the official government they are not they seem not to be able in control of them because we've seen atrocities and

killing committed against the aloites in March.

他们渗透军队和安全部门，官方政府似乎无力管控——今年三月我们就目睹了对阿拉维派的暴行。

▶ We've seen atrocities and killing committed against the Druze now and most of the testimonies we've heard that you know members of the army and the security as well as the tribes where they went in chanting Allahu Akbar.

我们目睹了针对德鲁兹人的暴行和杀戮，大多数证词表明军队、安全部队以及部落成员高喊“真主至大”进行袭击。

▶ God is great using the the pretext of religion and calling names against the Druze, calling them infidel and making it prohibited to kill them.

他们以宗教为借口辱骂德鲁兹人，称其为异教徒，并将杀害他们合法化。

 00:12:55

▶ And the killing was not just a battlefield where you know two factions are killing each other.

杀戮不仅发生在敌对派系交战的战场上。

▶ There are civilians who've been killed.

平民也遭到杀害。

▶ There are women who've been beheaded in their homes.

 00:13:14

▶ They were forced to jump over the windows over their balconies and they were shot dead as they were jumping.

▶ The confidence with the capacity of this government to be a representative of the whole society to bring Syria together as a diverse and mosaic Syrian of different ethnic groups has come to a failure at this moment.

此刻，人们对政府代表多元社会团结叙利亚的能力已失去信心。

 00:13:47

▶ Really now, I mean if you look at how this government is being designed, most of the key appointments that can take decisions are coming from Islamist background.

当前政府架构中，多数决策层要职由伊斯兰背景人士担任。

▶ Not necessarily have any experience in the positions that they are doing and that's exactly what's worrying everyone that the expertise, the colorful Syrians are being excluded and only Islamist are in charge.

这些人缺乏岗位经验，导致专业人士和多元群体被边缘化，引发普遍担忧。

▶ Japan's Prime Minister Shigeru Ishiba has said he has no plan to hand over power to other parties despite some exit polls suggesting his ruling coalition may lose its majority in elections to the upper house of parliament.

日本首相盐田刚虽表示不会让权，但出口民调显示执政联盟或失参议院多数席位。

 00:14:24

▶ The Liberal Democrats who've held power in Japan for most of the last seven decades have already lost their overall majority in the lower house in an election last year.

自民党去年已失众议院绝对多数，该党过去七十年长期执政。

▶ Counting is underway although the results are not expected until Monday.

▶ Thanks for having me.

感谢邀请。

▶ The predicted results do not look good for the Liberal Democratic Party and its coalition partner, Komei, though.

预测结果显示自民党及其公明党盟友形势不妙。

▶ They look set to lose their majority.

他们很可能失去多数席位。

▶ At best case they would retain a very weak majority.

最好情况也只能维持微弱多数。

bilibili 00:15:04

▶ But overall this is, I'm going to expect an outcome given the last two weeks of elections where we see them steadily lose ground to opposition parties.

鉴于过去两周选情持续恶化，这一结果符合预期。

▶ Why do you think that is?

您认为原因何在？

▶ The election campaign has been overwhelmingly dominated by domestic economic issues.

选战主要围绕国内经济问题展开。

▶ So voters feel that the ruling party and its coalition partner have not been able to effectively address inflation.

新兴民粹政党正吸引传统自民党支持者和新年轻选民。

 00:15:53

首相表示计划留任。

▶ Can he survive this, do you think?

您认为他能度过危机吗？

▶ Things don't look good for Prime Minister Ishiba.

盐田首相前景不容乐观。

▶ Right now he has announced that he intends to stay, but we see people from inside his party, including the very influential Osso Kauro, say that they won't tolerate his continuous leadership.

党内重量级人物已表态反对其继续领导。

▶ At the moment his best chance for survival seems to be that there are no clear successor to his leadership in the Liberal Democratic Party.

目前其留任最大希望是党内缺乏明确接班人。

 00:16:21

▶ There are several candidates who also ran for the party leadership last year, but there's nearly no one who was well poised to take leadership.

去年参选党魁者中无人具备接任条件。

▶ And it's also a very difficult time for Japan, both domestically and also internationally as it encounters increasing pressure from the US and other quarters.

日本当前面临国内外双重压力，特别是美国施压。

▶ Yes, it's interesting you mentioned that because in this same statement he said, we're engaged in extremely critical tire of negotiations with the United States and we must never ruin these negotiations.

首相声明强调"绝不能破坏与美国的关键谈判"。

 00:16:45

▶ How delicate is it that situation with the whole tire of spurs?

当前谈判局势有多微妙？

▶ It's extremely delicate right now.

目前极其敏感。

▶ Japan is facing a situation where they could be slapped with 25% reciprocal tariffs on August one.

日本可能于8月1日面临25%报复性关税。

▶ They have been coming to Washington almost every week for negotiations, but those have not borne fruit so far.

每周赴华盛顿谈判均未取得成果。

▶ And they're also facing very large current Section 232 tariffs on autos, which are really the lifeblood of the Japanese economy.

汽车行业作为经济命脉正承受232条款高额关税。

bilibili 00:17:11

▶ So this is indeed a very difficult time.

这是极其困难的时期。

▶ It has been difficult for a Prime Minister, Shiba.

对盐田首相而言挑战巨大。

▶ And if they change leaders, whoever is next will have to deal with this situation and they're inheriting a very difficult slate of issues, particularly with regard to the US.

若更换领导人，继任者将接手包括对美关系在内的复杂问题。

▶ And this is not only on tariffs, which they're facing now, but also there will almost certainly be calls for increased defense spending and burden sharing in the US Japan alliance.

除关税外，美日同盟防务开支分担也将成为焦点。

bilibili 00:17:34

▶ So the next leader has to be prepared to take these things on.

下任领导人必须做好应对准备。

▶ Dr. Kisi Gavella, thank you very much indeed.

感谢Kisi Gavella博士的分析。

▶ A few analysis there.

以上是简要分析。
