▶ Hello.

大家好。

🎧 I say people, it's been a changeable sort of day out there whilst some of us we've avoided the downpours in other areas, such as Hastings as with the picture just an hour or so ago.

今日天气多变，部分地区如黑斯廷斯一小时前刚经历暴雨。

🎧 There's been some big cumulonimbus clouds from the Thundry downpours.

雷暴雨带来巨大积雨云。

🎧 Most of them are easing away but still a few heavy ones close to the South coast at the moment.

多数云团正在消散，但南岸仍有强降雨。

 00:30:08

🎧 Now as we head through tomorrow and actually the next few days the weather turns a little bit quieter, so fewer showers on the cards and a little bit warmer for most of us too.

未来几天天气转晴，降雨减少，气温略升。

🎧 Not completely dry, still a few showers here and there.

不会完全干燥，局部仍有阵雨。

🎧 We've got higher pressure trying to nudge its way in all the way from the Azores but weather fronts are battling with it and trying to move in from the northwest.

亚速尔高压正推进，但与西北来的锋面交汇。

 00:30:27

🎧 And we've also got a bit more cloud moving in off the North Sea through this evening and tonight pushing South across parts of eastern England, a few spots of light rain for the far northeast of Scotland too.

今晚北海云层南移，英格兰东部和苏格兰东北部有零星小雨。

🎧 But most other places dry and mild tonight with lows around 11 to 15.

其他地区干燥温和，夜间低温11-15度。

▶ So through the day tomorrow it is again parts of eastern England so initially Lincolnshire for instance.

明日英格兰东部如林肯郡等地,

bilibili 00:30:47

▶ East Anglia then down towards the far south east where we'll see more cloud and patchy rain but for the rest of the UK showers very isolated I think.

东盎格利亚至东南部多云有雨, 其余地区偶有阵雨。

▶ More sun shines when improved day compared to today certainly for the likes of Northern England.

北部地区将比今日晴朗。

▶ A little bit warmer for most of us about 19 to 24 degrees just that bit cooler we've got the cloud rain in the far south east.

多数地区19-24度, 东南部因降雨稍凉。

bilibili 00:31:07

▶ And then heading through into Friday and that ridge of high pressure again tries to build its way in a weakening weather front bumps into the high pressure so it'll bring a bit more cloud initially to parts of Scotland, Northern England too.

周五高压脊增强, 锋面减弱, 苏格兰和英格兰北部多云。

▶ A few spots of rain is that fizzles out generally as it moves its way southeast towards but it is going to turn much warmer, more humid in the southeast temperatures up to about 27 or 28 degrees.

零星降雨向东南消退, 该地区将更暖湿, 气温达27-28度。

▶ Most of us dry into the weekend too but one or two showers in the forecast.

周末多数地区干燥, 偶有阵雨。
